HOAR ON THE SUPREME COURT Massachusetts Senators Defends it to Virginians

Old Point Comfort, Va., July 1.—Senator George F. Honr of Massachusetts delivered an address before the Virginia Harassociation today, his topic being "The Supreme Court of the United States." He said it must be agreed that the court 'has scrupulously kept itself aloof from political controversy and kept off the domain which belongs to the political power of the country. It would have been intolerable had it been otherwise."

In concluding, he said: "I have spoken in behalf of a tribunal whose constitutional judgments upon the greatest questions with which it has ever had to deal have overthrown, baffled and brought to maught the policy in regard to the great matter of reconstruction of the party to which I myself belong and the school of politics in which I have be trained and which, I supposed, was also that of a majority of the American people. submit. I believe that the example of such submission is better and promises more for the continued life of the republic

of any special policy. "The life and the glory of this country are to depend not on armies or navies, not on wealth, not on victory, not on embut upon the sentiments which gavers tience to law. The one most sublime thing in the universe, except its creator. is that of a great and free per ing itself by law higher than he own de-

than any party success or the prevalence

place from the Central Union church and was attended by the best people in this

The Monterey and the collier Brutus arrived from San Diego on the 34th inst. They left the latter port on the 11th. The Monterey experienced a heavy northwest swell nearly all the way. She ran under her own steam until the 19th, when the Brutus took her in tow. The tow line parted that night but was picked up again the following morning. The Monterey reached port with about twenty tons of coal in her bunkers. If - officers are high in their praise of her sea behavtions, the quarters of both officers and men were kept thoroughly dry.
